**We Are Looking For Business Partners**

Hello and thank you for affording me the opportunity to introduce you to Triple Dose. We are a five piece acoustic rock band located in Milton, PA. We are a very high energy band, and we bring that energy to a crowd that loves to interact with the band. With Clint Rishel on Lead Vocals, Cale Derr on Lead Guitar, Jason Budman on Rhythm Guitar and backing vocals, Zach Lenig on Bass, and Paul Scharf on drums, Triple Dose gives every crowd an experience they are sure not to forget.

We would like to offer you an opportunity to promote your Company Brand through an annual sponsorship of the band. Here are some of the benefits you will receive through a sponsorship with Triple Dose:

- Your business will be recognized on all media distributed pre event and during each show.
- Your business will be mentioned during on-air band interviews, and any newspaper and magazine media that the band receives.
- Your business will be mentioned as our sponsor 8-10 times per performance.
- Opportunity to distribute your promotional materials at each event.
- Your business will be recognized on Facebook and MySpace as our sponsor, and we will have a link to your business on both pages.
- Your business will be promoted on the band trailer. A vinyl logo must be provided to the band.
- Sponsorship will also include one private band event for your business.

Annual sponsorship of Triple Dose is \$1800.00

Thank you for your consideration, and if there is anything else we can do to promote your brand, please don't hesitate to contact me at the number provided, or by email.
